Policy Manual**

POLICY TYPE: Board Governance Process	POLICY NUMBER: 2.0
	EFFECTIVE DATE: 08/08
TITLE: Responsibilities	MAJOR REVISION DATES:
	LAST APPROVAL DATE: 08/08

In Policy Based Governance (accountable leadership) there are four positions to be “played.”

- The first position is ministry; it is played by the members as they care for one another and reach out to the community.
- The second position is management; it is played by the staff as they equip, resource and coordinate the ministry of the members.
- The third position is leadership; it is played by the Lead Pastor as he provides vision, direction and teaching to achieve the mission of the church.
- The fourth position is governance; it is played by the Board.

Accordingly,

1. Policy Based Governance stresses that the first responsibility of the Board is to represent the ownership. As a Lutheran congregation, we recognize that the Church is owned by Christ himself. Consequently, unlike other civic or service organizations, the mission of the church is not created by its members or emerges from their personal needs. The mission of the church was given to it by Christ himself in the Great Commission. Even a congregation's vision for ministry, its identity and its purpose in its particular community will be revealed and guided by the Holy Spirit. Consequently, the Board members shall engage in God's Word and prayer before each meeting, during the meeting and after each meeting, always seeking the will of their Heavenly Father as they write policy and set direction for the congregation.
2. The second responsibility of the Board is to support the Lead Pastor; to “have his back.” As he develops and implements his ministry plan, there is a good chance something in the plan will offend someone - primarily because of change. If the ministry plan (change) fulfills the mission and respects the Limitation policies, he will have the Board's complete and unwavering support. This is not just a kind word in private, but public support.

In that spirit, we agree that:

1. It is safe to disagree in Board Meetings.

*Conflict is inevitable. Making enemies over it is a choice.

POLICY TYPE: Board Governance Process	POLICY NUMBER: 2.1
	EFFECTIVE DATE: 08/08
TITLE: Governing Products and Style	MAJOR REVISION DATES:
	LAST APPROVAL DATE: 08/08

The Board will govern lawfully, observing the principles of the Policy Governance model, with an emphasis on:

- Outward vision (seeing the big picture) rather than an internal preoccupation;
- Encouragement of diversity in viewpoints;
- Clear distinction of Board member and Lead Pastor roles;
- Collective rather than individual decisions; and
- Future rather than past or present.

Accordingly,

1. Board members will be role models of what it means to be a member of the congregation. They will publicly support, by donating their wisdom, time, talent and treasure, the Mission and Vision Statements of the congregation.
2. The Board will cultivate a sense of group responsibility. The Board will not use the expertise of individual members to substitute for the judgment of the whole Board, although the expertise of individual members may be used to enhance the understanding of the Board as a body.
3. The Board will govern the congregation through the careful establishment of policies. The major policy focus of the Board will be on the congregation's mission, not on the staff's means of attaining those effects.
 - a. Vision: affirmative statements that set forth the effects or benefits to be realized by those the congregation serves.
 - b. Lead Pastor Limitations: constraints on Lead Pastor authority, decisions and actions.
 - c. Governance Process: specifications on how the Board carries out its responsibilities.
 - d. Board-Lead Pastor Relationship: statements about delegating authority and responsibility to the Lead Pastor and monitoring his compliance to policies.
4. The Board policies are to be active and dynamic. They are to be reviewed and refined on a regular basis. Any Board member or the Lead Pastor may ask for a review of specific policies at any time.
5. The Board will assess the congregation's progress on its Vision statements.

6. Board skills, methods, and supports will be sufficient to ensure governing with excellence.
 - a. Training and retraining will be used liberally to orient new members and candidates for membership, as well as to maintain and increase existing member skills and knowledge especially in understanding governance and determining the relevance of Vision statements.
 - b. Outside monitoring assistance will be arranged so that the Board can exercise confident control over organizational performance. This includes, but is not limited to, financial audits and school accreditation.

	LAST APPROVAL DATE: 09/08

The Board members commit themselves to Christian, ethical and orderly conduct, including proper use of authority and appropriate decorum, understanding they have a responsibility to the congregation, its employees, those served by the congregation and to each other. As Board members, their loyalty is to the Christ and His church, not conflicted by loyalties to members, staff, other people (including family members), other organizations or any personal interest as a member.

1. Board members must avoid conflict of interest concerning their fiduciary responsibility.
 - a. Board members will annually disclose their involvements with other organizations or with vendors and any associations that might be reasonably seen as representing a conflict of interest.
 - b. When the Board is to decide on an issue about which a Board member has an unavoidable conflict of interest, that Board member shall absent herself or himself without comment not only from the vote but also from the deliberation.
 - c. Board members will not use their Board position to obtain employment in the organization for themselves, family members, or close associates. A Board member who applies for employment must first resign from the Board.
2. Board members may not attempt to exercise individual authority over the congregation or any of its ministries.
 - a. Board members must recognize that they have no authority to direct or supervise the Lead Pastor or his staff.
 - b. Board members' interactions with the public, the press, or other entities must recognize the inability of any Board member to speak for the Board except to repeat explicitly stated Board decisions.
 - c. Except for participation in Board deliberation about whether the Lead Pastor has achieved any reasonable interpretation of Board policy, Board members will not express individual judgments of performance of the Lead Pastor or his staff.
3. Board members will respect the confidentiality appropriate to issues of a sensitive nature, unless given permission by the Board as a whole, to do otherwise. The Board's policy manual, approved minutes, or financial statements are an exception to this code and do not need permission. However, any discussion or information related to these documents is confidential.
4. Board members will relate to each other with grace, honesty and straightforwardness.

5. Board members will attend Board meetings regularly, be fully prepared for Board meetings and will be familiar with policy manuals and the congregation's constitution and bylaws.
6. Board members will regularly participate in the worship and educational life of the congregation, practice personal spiritual disciplines for the development of his or her own faith life, give regular financial gifts to support the ministry of the congregation, regularly attend congregational events and invest personal energy and skills in the ministries of the congregation as long as they do not conflict or interfere with their responsibility as a Board member.
7. Board members will actively discipline themselves and other members by identifying Board discussions and actions that run counter to its policies.
8. Board members will bring to the Chair's immediate attention any condition or action that they believe exceeds a Lead Pastor Limitation Policy.
9. Board members will support the legitimacy and authority of Board decisions on any matter, regardless of the member's personal position on the issue.
10. Should it be necessary to miss a meeting, members shall contact the Chair to dialog before and after said meeting. Missing two consecutive meetings, without notice, in a 12 month period may initiate removal from office at the discretion of the board.
11. The Chair shall counsel a Board member who violates any Board policy. Should violations continue, the Board, as a whole shall counsel the member. Such Board action may lead to the member's removal (see Bylaw Article II. D. 5.)
12. Incoming Board members will annually review and sign this Code of Conduct; the secretary will keep these on file.

TITLE: Committees	MAJOR REVISION DATES:
	LAST APPROVAL DATE: 08/08

Committees and Task Forces may be appointed by and will report to the Board to assist them in the execution of their responsibilities.

Committees, when used, will be assigned to reinforce the wholeness of the Board's job but never to interfere with the work of the Lead Pastor. This policy applies to any group that is formed by Board action, whether it is called a committee and regardless of whether the group includes Board members. This policy does not apply to committees formed under the authority of the Lead Pastor.

Committees may not speak or act for the Board except when formally given such authority for specific and time-limited purposes. Expectations and authority will be carefully stated in order not to conflict with authority delegated to the Lead Pastor.

The Congregation's By-laws require the Board to form the following committees when needed:

1. **Audit Committee:** Both internal and external audit committees may be used on a frequency decided upon by the Board.
2. **Constitution and Bylaw Review Committee:** This committee will be convened as necessary to report to the Board the currency and appropriateness of the congregation's Constitution and Bylaws and offer options and suggested changes as deemed important.
3. **Nominating Committee:** This committee will be convened every February to provide a roster of potential candidates for election to the Board for the coming year. The committee shall consist of one member of the current Board and two additional members of the congregation at large. The Pastor is an advisory member.
4. **Call Committee:** A Call Committee will be appointed by the Board as outlined in Article II. A. 2 of the bylaws.

	EFFECTIVE DATE: 08/08
TITLE: Connection between the Board and the Operation of the Church	MAJOR REVISION DATES:
	LAST APPROVAL DATE: 08/08

The Board's sole official connection to the operational organization of the church - staff and lay ministry teams - will be through the Lead Pastor; the Board shall delegate authority only to him. Any other subordinate employee or entity operating with the authority of the congregation shall receive that authority from the Lead Pastor or a person assigned such authority by the Lead Pastor.

Accordingly,

1. Only officially passed motions of the Board are binding on the Lead Pastor. Decisions or instructions of individual Board members are not binding on the Lead Pastor.
2. Board members will never give instructions to the Lead Pastor's staff or publicly evaluate them.
3. Board members shall be prudent in their contact with ministerial staff and shall keep the Lead Pastor informed about significant contacts they have with any staff member.
4. As long as the Lead Pastor uses a reasonable interpretation of the congregation's Vision statements and Lead Pastor Limitation Policies, the Lead Pastor is authorized to establish all further policies, make all decisions, take all actions, establish all practices and develop all activities. Such decisions of the Lead Pastor shall have the full force, authority and support as if decided by the Board.
5. The Board may change their policies at any time. But as long as any policy is in place, the Board will respect and support the choices of the Lead Pastor.
6. The Board will view Lead Pastor performance as identical to organizational performance, so that the achievement of the congregation's Vision statements and compliance with the limitation policies will be viewed as successful Lead Pastor performance.
7. The following require the approval of the Board and may not be delegated:
 - a. Election of Board officers
 - b. Selection of the financial auditor/reviewer
 - c. Receipt and review of financial audits
 - d. Appointment of legal counsel

POLICY TYPE: Board - Lead Pastor Relationship	POLICY NUMBER: 3.1
	EFFECTIVE DATE: 08/08
TITLE: Monitoring of the Lead Pastor	MAJOR REVISION DATES:
	LAST APPROVAL DATE: 08/08

Systematic monitoring of the Lead Pastor will be solely against the accomplishment of Vision statements and compliance with Lead Pastor Limitations.

Accordingly:

1. Monitoring is simply to determine the degree to which Board policies are being met. Information that does not do this will not be considered to be monitoring information.
2. In every case, the Board as a whole will judge the reasonableness of the Lead Pastor's interpretation of policies and whether data demonstrate accomplishment of the interpretation.
3. All policies that instruct the Lead Pastor will be monitored at a frequency and by a method chosen by the Board. The Board can monitor any policy at any time by any method but will ordinarily depend on a routine schedule.
4. The Board may acquire monitoring information through Lead Pastor reports, surveys, interviews, external reports, and direct monitoring.
 - a. Lead Pastor Report: at each Board meeting the Lead Pastor shall report on the following:
 - 1) Changes to the ministry plan with an explanation and rationale for the changes, including summaries of new ministries, programs, activities or services.
 - 2) The trends of baptisms, adult confirmations, worship attendance, membership gains and losses.
 - 3) The congregation's financial position in a method and format as determined by the Board.
 - 4) Changes to the congregation's budget.
 - b. At least once each year, present a compliance report on the Ends statements of St. John's Lutheran School.
 - c. At least once each year, present a report on the progress towards the congregation's Vision statements.
5. The Board shall consistently advise the Lead Pastor of his performance and, at least annually, conduct a formal performance appraisal.

POLICY TYPE: Board - Lead Pastor Relationship	POLICY NUMBER: 3.2
	EFFECTIVE DATE: 08/08
TITLE: Exceeding Lead Pastor Limitations	MAJOR REVISION DATES:
	LAST APPROVAL DATE: 08/08

From time-to-time, Lead Pastor Limitation Policies will be exceeded. When this happens, the Board shall ensure that action is taken to rectify the violation of policy. The Board shall strive to take no authority for the correction of exceeded Lead Pastor limitations, but rather shall work through the Lead Pastor. The Lead Pastor is to take the initiative and responsibility to monitor for, and inform of, and correct exceeded limitations, as well as to develop preventative systems.

Accordingly,

1. The Lead Pastor shall give notice to the Board once a limitation has been recognized to have been exceeded. If the limitation has been exceeded for an excessive period of time and has gone unnoticed, the Lead Pastor shall develop a better monitoring system.
2. Corrective action.
 - a. If the exceeded limitation is recognized and correctable, the Lead Pastor shall take the necessary action within policies and report the results to the Board. If the exceeded limitation is not immediately correctable, the Lead Pastor shall establish a schedule for corrective actions, reporting such scheduled action and gaining from the Board, approval of a deadline for completion of the correction. The Lead Pastor shall continue to report in a timely fashion on the action taken and the results until the exceeded limitation is corrected. The Lead Pastor shall give notice when it is recognized that a deadline will be missed and a new plan of action if the delay is deemed excessive.
 - b. The Lead Pastor is not to be limited in the resources, whether internal or external to the organization, that he may employ to correct the exceeded limitation except through the Limitation Policies. However, the Lead Pastor is accountable for the results of the use of the resources at all times.
 - c. The Lead Pastor shall develop or improve processes to avoid recurrence of any exceeded limitations.
 - d. The Board shall review any limitation policy that has been exceeded, for its soundness. They shall not dictate what appropriate Lead Pastor actions might be, to comply with the limitation. The Board shall rewrite policies when appropriate. The Board shall not approve one-time exceptions to policies. If an action is acceptable under certain conditions, then those conditions shall be stated in the policies.
 - e. The Board shall not enact any punitive actions.
 - f. After a number of occurrences of an exceeded limitation, whether through missed deadlines, or as a result of exceeding a number of different limitations, the Chair and three other Board

members approved by a 2/3 majority of the full Board will conduct a performance evaluation of the Lead Pastor, report the evaluation to the Board and facilitate a discussion with the full Board. If the Lead Pastor is found to be out of compliance with Bylaw Article II, A.3. it shall be reported to the CNH District President for his counsel and direction.

POLICY TYPE: Lead Pastor Limitations	POLICY NUMBER: 4.0
	EFFECTIVE DATE: 08/08
TITLE: General Lead Pastor Constraints	MAJOR REVISION DATES:
	LAST APPROVAL DATE: 09/08

While these policies are written in a manner consistent with the Carver model of Policy-Based Governance, it must be noted that a Lead Pastor, in the tradition and polity of the Lutheran Church-Missouri Synod (LCMS), is not a "Chief Executive Officer." He is, instead, the spiritual leader of his staff, the congregation and its ministry. While he can decisively influence what happens in that ministry, he cannot be said to control it, or even, in some circumstances, manage it given the nuances of congregational life; he certainly cannot get immediate results.

As spiritual leader, his role is more attune to that of a servant leader.¹ While he has the responsibility and authority to supervise his staff,² he also leads as he inspires, models, coaches, mentors, motivates and collaborates with his staff, lay leaders and congregational members.

With that primary understanding, the Lead Pastor shall not:

1. Fail to heed the Great Commission (Matthew 28:18-20) or the Great Commandment (Matthew 22:37-40).
2. Be unfaithful to his ordination vows.
3. Act in a manner that is unlawful, imprudent, unethical or inconsistent with the constitution, bylaws and policies of St. John's Lutheran Church (SJLC).

¹ "The leader-first and the servant-first are two extreme types. Between them there are shadings and blends that are part of the infinite variety of human nature. The difference manifests itself in the care taken by the servant-first to make sure that other people's highest priority needs are being served. The best test, and difficult to administer, is: do those served grow as persons; do they, while being served, become healthier, wiser, freer, more autonomous, more likely themselves to become servants?"

Taken from the *Servant As Leader* published by Robert Greenleaf in 1970.

² In the LCMS, the Lead Pastor holds the office of the public ministry. This is a divinely appointed office. The church has established other offices. Those who serve in them are authorized to perform certain of the function(s) of the office of the public ministry. The offices are 'ministry' and they are 'public,' yet they are not the office of the public ministry. Rather, they are auxiliary to that unique pastoral office, and those who hold these offices perform their assigned duties under the supervision of the pastoral office. Such offices are established by the church as the need arises, and their specific functions are determined by the church.

10. Offer any staff member a tenured call⁴ or agree to any contract that is not time-limited without the consent of the Board.
11. Use his position or influence to obtain employment in the church for family members or close friends.

⁴ A tenured call is a call that can only be removed for the same reasons and in the same manner as removing the call of the Lead Pastor.
